

We are excited about this summer concert/crusade series. Some of these open doors are essentially new frontiers for christian evangelism. I hope that you will rejoice together with us about this, and most of all, come to some or all of these events with a spirit of support.

God knows my heart and motives, it is believed that this will become clear to all. 2 Corinthians 4:5 "For we preach not ourselves but Christ Jesus the Lord [or as Lord]; and ourselves your servants for Jesus sake." I consider myself as a servant to the body of Christ, and all focus is to that end.

From the standpoint of fruit, we are anticipating the harvest and to sow new members into the local churches. Maybe even your church. There is enough fruit to go around. There are enough open doors for harvest that competition and strife can be easily avoided.

From the standpoint of praise God needs to be praised. Psalm 150:

"Praise ye the Lord. Praise God in his sanctuary : praise him in the firmament of his power.

(2) Praise him for his mighty acts; praise him according to his excellent greatness.

(3) Praise him with the sound of the trumpet; praise him with the psaltery and harp.

(4) Praise him with the timbrel and dance: praise him with the string instruments and organs.

(5) Praise him upon the loud cymbals: praise him upon the high sounding cymbals.

(6) Let everything that hath breath praise the Lord. Praise ye the Lord."

Glory to God, Verse 1 tells us where; verse 2 tells us why and verses 3-6 tell us how:

This summer the Lord will be praised with the key boards; praised with the drums; praised with a host of other instruments; praised with the k Zildjian cymbals; praised on the A Zildjian cymbals; and praised upon the Paiste Cymbals, the 14" splash the 21" crash and the 18" crash/ride cymbals. Hallelujah, and watch out, if it has breath you will likely see it praising God at a bandshell this summer. He will be exalted!

Your input and support is welcome. Come to these events and post this flyer where others will see it. Look forward to seeing you this summer!

Your Host,

Mitch Paulsen

EVENTS

IMAGE is an established group of Christian artists who present a strong witness for Christ with a rich selection of original contemporary favorites. Image has worked with major names such as the Imperials and is now focusing on a renewed emphasis on outdoor evangelism. It is likely that after seeing them you will want to attend all their events.

GUITAR/PRAISE RALLY These events consist of different soloists performing in succession to collectively kindle a bonfire of revival.

CREATOR consists of high energy Christian artists who glorify God in their music without reserve. Their concerts are a must as you will see praise stretched to the outer limits of the guitar.

MESSIANIC CELEBRATION This event is tailored to bring about a greater awareness and understanding of our Jewish brethren. Join us for song and dance under the stars at Jones Beach, as we celebrate together our common faith in Jesus the Messiah.

MORNING STAR MINISTRIES with **DAVID STRALEY** This event will rock Coney Island with old time Gospel Music. With the anointing of God and a beefed up sound system, truly many will experience a new dimension. David Straley will also make spot appearances at other events this summer.

WIND BORN MINISTRIES (JOHN DeRIENZO LIVE) A long standing name in New York evangelism is now performing live at Jones Beach Bandshell. With a breath taking command of the acoustic guitar, John DeRienzo will be playing and singing an engulfing selection of original songs, including some fresh cuts from his newly mastered and still unreleased album.
