GLORY (W. E. VINE) ...the nature and acts of God in self-manifestation...

GLORY (TRANSLATOR'S) ...brightness, radiance, splendor in a physical sense. ...The NT concept of 'Glory' derived much of its meaning from the OT where 'the Glory of God' represented all that men could apprehend, usually with their own eyes of the presence of God on earth. ...'Thus, Glory' in the NT signifies God's active and radiant presence in all His majesty, splendor and sublimity.

*Under the stars, by the surf, with the fresh ocean breeze, come and experience the Glory of God as His presence is ushered in with praise by ministry gifts and musicians as diverse as are facets of His Glory.*
