This series is coordinated and produced by the New York Arts Council. It is the position of the New York Arts Council, that there is no higher artistic expression than the manifestation of Christ in all His splendor and Glory.

The New York Arts Council is not afraid or ashamed to promote the highest caliber arts, including that, which, with out reserve, exalts the living and resurrected Christ.

We are grateful for all who make these concerts possible. Including Samantha's Li'l bit of Heaven and The River Church at Tampa who brought us allot of heaven.

Next summer, the New York Arts Council intends to expand into other venues. If you would like the New York Arts Council to coordinate and produce a gospel concert series in your community please give a call.

The Love Express

America

by Rodney Howard-Browne

From the harbor brightly shining, the lady her
beacon beams; to all those tired and weary
come to freedom's dream.

And now their freedom threatened, revival is
our only hope; America, your time is come to
fulfill your heavenly goal.

From the grandeur of Alaska to the blue of the
Florida Keys; to the alow of the islands to Maine
it is plain to see; fifty nations it seems to fill
your shores.

As weary travelers come to seek the joy that
freedom brings and bask beneath your sun, the
cry my heart desires is as one born out of due
time from one of your newest sons.

America, America, may your eagle soar again
high above the clouds of darkness back into
His glory once again.

*Rodney will appear at
various Jones Beach events
this summer*
